2. P21/S2535/LDE Derelict Caravan removal.

Response from Cllr Robb (Oct 22) - Derelict caravan: I provided an update on 8 November 2021. The caravan is not habitable and is being stored on the land. It is not a breach of planning unless someone starts occupying it. As it's difficult to see from public viewpoints, an untidy land notice would not be appropriate. Enforcement are not taking action on this as it does not constitute unauthorised development, but should the situation change, please let me know

3. Old Sewage Works. Response from Cllr Robb (Oct 22) SODC Enforcement team do not have a record of this. Needs to be reported. Clerk has gone back with enforcement notice SE15/50. Reports of work being done within the area, Cllr Rowland has discussed with the owner of the land and Clerk has alerted SODC Enforcement for a site visit. Matt Guillford from SODC Enforcement wrote on 17/9/24 One of our tree officers inspected the site on the 5th June and could find no evidence of unauthorised works. We haven't received any further reports of works on the site. We will continue to monitor the site when working in the area. In the meantime, if you become aware of any tree or engineering works taking place on site, please let us know. Clerk forwarded a picture on 7/10/24 of site work

12 Miscellaneous:

- a. **Neighbourhood Plan** – On average within RPPC there are 5 new houses per annum, to do a neighbourhood plan would require a lot of effort from Parishioners and there has not been the appetite for this historically. The village is mostly AONB but there is a concern with no neighbourhood plan this makes us Vulnerable, It was agreed RPPC Planning Committee would review frequently.
- b. **Golf Course Sale** – No information regarding the sale of the Golf Course at this present time.

13 Date of next meeting – Monday February 10th 2025 at 6.30pm
