Statement of fact

This quotation is based upon the information notified to Came & Company Local Council Insurance and facts assumed about the proposer, your Council and your employees.

This information has been taken into account when calculating the premium, terms and conditions upon which Your quotation is formulated. Please remember You must make a fair presentation of the risk to Us. This means that You must:

- (1) disclose to Us every material circumstance which You know or ought to know or, failing that, sufficient information to alert Us that We need to make further enquiries; and
- (2) make such disclosure in a reasonably clear and accessible manner; and
- (3) ensure that, in such disclosure, any material representation as to a:
 - (a) matter of fact is substantially correct; and
 - (b) matter of expectation or belief is made in good faith.

A circumstance or representation is material if it would influence Our judgement (as a prudent insurer) in determining whether to take the risk and, if so, on what terms. You must also make a fair representation of the risk to Us in connection with any variations, e.g. changes You wish to make to Your policy in which case You must inform Came & Company Local Council Insurance.

If You fail to make a fair representation of the risk then this could affect the extent of cover provided or could invalidate Your policy. If You are in any doubt as to whether a circumstance is material then You should disclose it.

You should keep a record (including copies of letters) of all information supplied to the insurer for the purposes of the application for, or renewal of this insurance.

You must check all the information contained in The Schedule and contact Came & Company Local Council Insurance immediately if any details are incorrect or incomplete. Failure to do so may mean that Your policy is not valid or We may not be liable to pay all or some of Your claim(s).

Any subsequent alterations take precedence over the information contained within it.
